Description

A large number of people today dream of starting something of their own and wish that they did not have to utilize their capabilities while making money for someone else. If you are one of the above, then this book could be the end of your search. The first few concerns while you start something of your own are the right choice of business and the associated investment requirement. This book places a full stop to your search for lucrative business that you can start from your home with low costs. It lists down more than 30 businesses that can give you good returns and can be operated from the comfort of your home.
If you look around yourself, surely you will find a friend or a relative or a friend's friend or your neighbor pursuing their hobby as a business (full time or part time) and most of which will be home based. And are you, on the other hand, still struggling with the choice of business? Has that made you feel left out or indecisive or unconfident? The correct choice of business is an extremely essential step in the process of 'being your own boss'. The book 'Money Making Business Ideas- You Can Start from Home with Low Costs'discusses in detail all the vital steps and concerns of operating a business from home like why your chosen business will work, what is the business model, how will you generate money from it, What can you sell, How will you market your business and what are the raw materials/machinery required. After gathering the above mentioned details of a business, the decision of choosing an appropriate one will no longer be a cumbersome process.

This book is designed to help you climb the ladder of success by being your own boss and essentially qualifies as an entrepreneurial tool for anyone who wishes to be self-employed and doesn't have the desired knowledge to go ahead. A growing number of housewives today are willing to work in order to bring in additional money in their households and make a mark for themselves. And working from home is their first preferable choice for earning their identity. A large number of home makers are turning on their entrepreneurial caps and are in a constant search for home based business that can help them fulfill their goals and desires. This book aims at equipping such people with the required knowledge and motivation to start something of their own by sharing the concerns, decisions and choices involved in the process. Once you have made the choice of your business, it helps you to understand the ways in which you can source the capital required and the ways you can operate your small venture.

After reading this book, the dilemma surrounding the decision to go solo will be

cleared up and you will be all equipped to take on the battle with a shining armor.
