# Indian Industrial & Business Register (All India Industrial & Commercial Directory) Vol-1,Vol-2 & Vol-3

| | |
|---|---|
| **Code** | NI137 |
| **Format** | paperback |
| **Indian Price** | ₹2500 |
| **US Price** | $350 |
| **Pages** | 2720 |
| **ISBN** | 8186623558 |

| | |
|---|---|
| **Publisher** | National Institute of Industrial Research |

## Description

This is a unique directory (in 3 volumes) of its kind with most comprehensive and up-dated compilation of Companies with their addresses, product details, e-mail, websites, phone and fax nos. etc. Which have been tapped from diversified sources. The directory is verily a goldmine of useful information and an exhaustive compilation of industries in hundreds of categories. This directory is very useful for manufacturers, traders, corporate houses, consultants, libraries etc.

## Content

A
Abrasives
Abrasives / Grinding Wheels
Accounting And Book Keeping Machines
Accounting Services
Accumulators And Batteries
Acid Proof Equipment And Materials
Acids

## About Niir

NIIR Project Consultancy Services (NPCS) is a reliable name in the industrial world for offering integrated technical consultancy services. Its various services are: Pre-feasibility study, New Project Identification, Project Feasibility and Market Study, Identification of Profitable Industrial Project Opportunities, Preparation of Project Profiles and Pre-Investment and Pre-Feasibility Studies, Market Surveys and Studies, Preparation of Techno-Economic Feasibility Reports, Identification and Selection of Plant and Machinery, Manufacturing Process and/or Equipment required, General Guidance, Technical and Commercial Counseling for setting up new industrial projects and industry. NPCS also publishes various technology books, directories, databases, detailed project reports, market survey reports on various industries and profit making business. Besides being used by manufacturers, industrialists, and entrepreneurs, our publications are also used by Indian and overseas professionals including project engineers, information services bureaus, consultants and consultancy firms as one of the inputs in their research.
