Description:

30 Business Ideas to Start with Investment of 1.25 Crore (Plant and Machinery). Setting up a Micro, Small and Medium Enterprise (MSME).

The term opportunity implies a good chance or a favorable situation to do something offered by circumstances. In the same vein, business opportunity means a good or favorable change available to run a specific business in a given environment at a

given point of time. The term 'opportunity' also covers a product or project. Hence, the identification of an opportunity or a product or project is identical and, therefore, all these three terms are used as synonyms.
