Located in the eastern part of India, Odisha is the eighth largest (area) state in the country. It is home to the largest coastal lagoon in India (Chilika Lake). The state is also known for organizing one of the biggest chariot festivals in the world (Rath Yatra). While the state capital Bhubaneswar is known as the 'City of Temples', it's also the sports capital of the country.

Odisha is the land where legendary emperor Ashoka gave up his blood-seeking thirst for power and took to ascetic life. Known for their love for pakhala (rice fermented in water), there is a rice institute in Cuttack, home of Netaji Subhash Chandra and home of the original 'Dahi bara aloo dum' (fried lentil dumplings in a curry-curd mix).

It is surrounded by the states of West Bengal and Jharkhand to the north, Chhattisgarh to the west and Andhra Pradesh to the south. Odisha has a coastline of 485 kilo metres along the Bay of Bengal. The region is also known as Utkala and is mentioned in India's national anthem. Earlier, Cuttack was made the capital of the region by Anantavarman Chodaganga till the British era until 1948. Thereafter, Bhubaneswar became the capital of Odisha.
