20 Best Small Business Ideas & Opportunities in Vietnam for Entrepreneurs. Top Easiest Manufacturing Businesses to Start in Southeast Asian Countries

You might be surprised to learn that Vietnam is not only one of Asia's fastest-growing economies—it's also one of its most attractive business locations. The country's low wages, friendly people, increasing English proficiency, and booming economy are just a few reasons why American businesses are taking notice. With more than 90 million people with disposable income, it's no wonder investors are flocking to do business in Vietnam. If you're still on the fence about what opportunities exist in Vietnam for your company, here are four clear benefits to doing business there: 1) Low labor costs; 2) Higher education; 3) More foreign investment; 4) Increasing tourist arrivals.
