Description:

September 2019 Entrepreneur India Monthly Magazine

Entrepreneur India, a monthly magazine published by NPCS, is aimed at simplifying the process of choosing the suitable project for investment. It makes business decisions easier and trouble-free by providing a list of right projects for investment. Unique among project investment magazines, 'Entrepreneur India' is dedicated to the business of identifying sound investment projects. Every issue consists of a new list of projects which are meticulously selected by the NPCS team after being screened on various investment factors. NPCS team, before labeling a project as 'Right investment', studies various aspects of investment like product demand, market potential, raw material availability, suitable location, payback period, costs involved and breakeven point.

The importance of project identification is known to less and many a times, entrepreneurs spend substantial time and resources on project planning, execution and control, while little attention is paid to project assessment and selection. Such times lead to disastrous business decisions and often a project is declared a 'dead investment'.
