

Manufacturing of Lemon-Lime Flavoured Soft Drink (Nimbu Pani) with Lemon Juice.

Description:

Manufacturing of Lemon-Lime Flavoured Soft Drink (Nimbu Pani) with Lemon Juice. Profitable Business of Non-Alcoholic Beverages.

Lime juice is the best substitute for lemon juice, as it can be used as a one-to-one replacement and has a very similar taste and acidity level (5). In fact when canning or preserving food it's the ideal substitute for lemon juice because it has a similar pH level.

Soft drinks are preferably clear in all individuals and their thirst and the fight summers. But to change the standard of living and income, people move their consumption behavior and therefore more health conscious. This led to a significant increase in the demand for juice and non-Fizz (sparkling) beverages out
