

# October 2020 Entrepreneur India Monthly Magazine

## Description:

Entrepreneur India is established as a solution to increased variations in business trends. This is one of the first magazines to cover list of right projects for investment. Unique among [project investment magazines](#) and their applications in current and relevant business scenarios. It provides detailed reports on the effects of the Indian economy on business strategies, before labeling a project as 'Right investment', studies various aspects of investment like product demand, market potential, raw material availability, suitable location, payback period, costs involved and breakeven point.

The importance of [project identification](#) is known to less and many a times, entrepreneurs spend substantial time and resources on project planning, execution and control, while little attention is paid to project assessment and selection. Such times lead to disastrous business decisions and often a project is declared a 'dead investment'. Most entrepreneurs, these days, have the capital but not the expertise to shortlist a suitable project to park their money. And '[Entrepreneur India](#)' helps remove such hurdles for a businessman to ensure successful ventures and expansions.
