

Start Production Business of Ayurvedic Pain Balm. Herbal Pain Relief Balm Making Business.

Description:

Start Production Business of Ayurvedic Pain Balm. Herbal Pain Relief Balm Making Business.

Ayurveda, or ayurvedic medicine, is a healthy-living method that has been practiced in India for over 5,000 years. Ayurveda promotes good health and disease prevention and recovery through lifestyle improvements (such as massage, meditation, yoga, and dietary changes) and herbal remedies. Ayurvedic medicine is holistic, which means it considers the whole body and mind.
