List of 25 Highly Profitable Business Ideas in Vietnam. Top Easiest Manufacturing Businesses to Start in Southeast Asian Countries

The benefits of doing business in Vietnam are numerous, whether you're looking to expand your current business or want to start a new one. The country's rapidly growing economy, low tax rates and abundant labor force are just a few reasons why companies are moving into Asia. This country may be smaller than many of its Southeast Asian counterparts, but it's also much more business-friendly. For one thing, it has a rapidly growing economy with an exploding middleclass—which means there are plenty of potential customers. It ranks high on almost every list of best places to do business for that reason alone.
