Description:

Hosiery industry is an ancient industry in the field of textile industry having very good potential in domestic market and also in the export market. There is increasing market demand for hosiery undergarments for its various advantages. Cotton undergarments are widely used by all classes of people because of its good absorbency, cheaper prices and ready availability. These foundation garments are used by the people throughout the year under different climatic conditions. It is presumed that there will be no problem in marketing of knitted undergarments of good quality.

Ladies innerwear (Bra and panties) is the highest growing apparel item across all income groups and exclusive boutiques have popped up in all places. Nothing cramps the style faster than ill-fitting and uncomfortable undergarments. Thus, innerwear are not only made attractive, but also comfortable and practical. Top stylists unchain their creativity by inventing fabulous new forms and materials which make ladies innerwear even more sexy, eccentric and wild, without leaving out elegance.

There has been an increase in demand for innovative, comfort-oriented undergarments and lately, many women are forgoing those fussy lingerie designs for simple, uncomplicated ladies undergarments. In addition to keeping outer garments from soiling, ladies innerwear are worn for a variety of reasons: warmth, comfort and hygiene being the most common.
