After Gujarat, Madhya Pradesh is now the second preferred state for the corporate world to get their industries set up. The state has an agrarian economy. The major crops of Madhya Pradesh are wheat, soybean, gram, sugarcane, rice, maize, cotton, rapeseed, mustard, and arhar. The state has the largest reserves of diamond and copper in India. Other major mineral reserves include those of coal, coalbed methane, manganese, and dolomite. The state's tourism industry is growing.
