

Best Profitable Manufacturing & Processing Business Ideas in Rajasthan, India to Start. Small and Medium Projects.

Description:

Rajasthan is pre-eminent in quarrying and mining in India. The state is the second largest source of cement. It has rich salt deposits at Sambhar, copper mines at Khetri and zinc mines at Dariba and Zawar.

The main industries of Rajasthan include textile, rugs, woolen goods, vegetable oil and dyes. Heavy industries consist of copper and zinc smelting and the manufacture of railway rolling stock. The other industries related to Private Sector include steel, cement, ceramics and glasswares, electronic, leather and footwear, stone and other chemical industries.

Project Opportunities in Rajasthan:

Mineral

Rajasthan is a mineral rich state and blessed with 79 varieties of minerals, of which 58 are being commercially exploited. State has virtual monopoly in the production of major minerals like Wollastonite, Lead-Zinc, Calcite, Gypsum, Rock phosphate, Ochre, Silver and minor minerals like Marble, Sandstone and Serpentine (Green Marble) etc., which contribute almost 90% to 100% of national production.

Automotives

The Automobile sector has seen a rapid growth in recent past, it has made Rajasthan the major Auto Production hub of the country. Due to close proximity to a major auto production, Alwar, Bhiwadi and Jaipur districts runs nearly 100 units. In Bhiwadi, a special Auto & Engineering Zone has also been developed in the Pathredi Industrial Area and another special zone is being planned. To address availability of trained manpower, particularly for Shop-floor Operations, a Tool Room & Training Centre is being planned over 10 acres here.

Cement

Rajasthan is the largest producer of cement in India. With a capacity of over 13 million tons per annum, Rajasthan accounts for over 15% of India's cement production. The cement industry in Rajasthan is witnessing significant growth in recent years. Fresh capacity aggregating over 10 MMTPA is under various stages of implementation. With the domestic demand for cement expected to grow at 8-9 per cent annually.

Livestock

Animal Husbandry is a major economic activity of the rural peoples, especially in the arid and semi-arid regions of the Rajasthan. Development of livestock sector has a significant beneficial impact in generating employment and reducing poverty in rural areas. Livestock contributes a large portion of draft power for agriculture, with approximately half the cattle population and 25 percent of the buffalo population being used for cultivation.
