

# Best Business to Start in Chhattisgarh, India

## Description:

Chhattisgarh is a source of electricity and steel for India, accounting for 15% of the total steel produced in the country. It is one of the fastest developing states in India. Agriculture is counted as the chief economic occupation of the state. Chhattisgarh is one of the few states of India where the power sector is effectively developed. The steel industry is one of the biggest heavy industries of the state. Chhattisgarh is rich in minerals. It produces 20% of the country's total cement produced. A wide range of fiscal and policy incentives for businesses have been announced under its Industrial Policy, 2014-19.

Today, almost 80 per cent of the population is dependent on agriculture and small scale industry in the state. Chhattisgarh is committed to a strong industrial growth that is focused on some of the most raw and basic industrial sectors.

## Project Opportunities in Chhattisgarh:

### Agro and Food Processing

Chhattisgarh is also known as the rice bowl of central India. With 80% of the population (around 32, 55,062 families) depending on it as the main source of income, the state is heavily engaged in agriculture. Chhattisgarh accounts for 137.9 lakh Ha. of land, which translates to 4.15 % of the total land mass of the country. 37% of the land (47.5 lakh Ha.) is under agriculture.
