Himachal is one of those states in India which was rapidly transformed from the most backward part of the country to one of the most advanced states. At present Himachal ranks fourth in respect of per capita income among the states of the Indian Union. As the dust-free climate of Himachal is extremely suitable for the setting up of electronic industries, many electronic complexes have been established at Solan, Mandi, Hamirpur, Shogi, Raga-Ka-Bagh, Chamba, Ambi, Taliwala, and Keylong.
