INTRODUCTION

Manipur is a state in north-eastern India, with the city of Imphal as its capital. Manipur is also known as India's gateway.. It is one of the border States in the North-Eastern part of India, bounded by Nagaland in the north, Assam on the west and Mizoram on the south and along the east it shares a 352 Km with Myanmar. Today's Manipur consists of nine districts. The state shares international border with Myanmar making it an important entre for trade and business.

MAJOR SECTORS IN MANIPUR

Agricultural Development: Agriculture plays an important role in the development of Manipur's economy. It is the dominant occupation of the people of Manipur. It is not only the main source of livelihood of the overwhelming majority, but also a tradition and a way of life that moulds the socio-economic status of the people.

Handloom Industry: Handloom industry is the largest cottage industry in the State. Hand woven textiles have always been a rich source of one's tradition. In the Northeast region of India, each tribe or community has its own specific designs and motifs. In Manipur the Handloom Industry has been playing a pivotal role in the economic since times immemorial.
