Exercise books are widely known & vastly used as day-to-day products. Note books are available in the market in various sizes, shapes & pages and having various types of covers paper bound, board and Rexene bound etc. Exercise book is of different types and is used for different purposes. Their sizes vary according to the requirement. Though mainly used by students whether school going or college going, yet not less important for a house wife who keeps her day to day expenses record & similarly for small business men for keeping their accounts.

With the growth of education among the masses & industrialization in the country, the demand of stationery note book for writing purposes has been increasing at a tremendous rate.
