

# Mango Pickles Manufacturing Business

## Description:

### **Mango Pickles Manufacturing Business. How to Start a Pickle Business. Mango Fruit Processing Industry**

Pickle making is a global culinary art; you can find variety of pickles around the world. It is one of the oldest methods of preserving food. Traditionally, people used to make pickles at home and use to preserve it in ceramic jars or earthen pots, but with due course of time its popularity and demand increased which made people to use it commercially.

The optimization of pickle quality depends on maintenance of proper acidity, salt concentration, temperature and sanitary conditions. The mangoes used for the pickles are of course different in different parts of the country.

A mango pickle is a variety of pickle prepared using mango. It is a very popular South Asian pickle. These sometimes spicy pickles are also available commercially.
