A necktie, or simply a tie, is a long piece of cloth, worn usually by men, for decorative purposes around the neck, resting under the shirt collar and knotted at the throat. Variants include the ascot tie, bow tie, bolo tie, zipper tie, cravat, Knit Tie and clip-on tie. The modern necktie, ascot, and bow tie are descended from the cravat. Neckties are generally unseized, but may be available in a longer size. In some cultures men and boys wear neckties as part of regular office attire or formal wear.

The necktie in India, is in all probability a tortured soul. Necktie a part of the formal wear of men and women is increasingly gaining popularity as a result of which many companies which include big names like Zodiac, Park Avenue and Pantaloons etc. and also a huge number of unorganized players are making their necktie brand available for sale.
