As the name itself implies the readymade garments are garments ready for wearing. Ready to wear garments have been finding more and more acceptance in the indigenous as well as export markets mainly due to low cost fabrication. Sewing of cloth as well as saving of time. Manufacture of readymade garments is very simple and easily manageable. Machinery and Raw Materials required to start this industry are indigenously available. The scheme envisages for setting up an unit of readymade garments viz. Cotton Shirts, Pajamas, Petticoats and Blouses which shall be quite acceptable in the rural markets. Undergarments. Outer garments, traditional institutional and also industrial garments have good demand in Indian Market. The market for readymade garments has been growing rapidly all over the world. There is very good scope for new investment.
