Wire mesh is known as wire netting, which is supplied in various types of meshes and for various purposes. It is used by the builders i.e. fencing light, fencing poultry forms, tennis court and court yard fencing, concrete highway anchorage etc. It is also used in number of industries i.e. grain, coal sieving, machinery guard etc. It can be marketed through hardware dealers. Wire mesh has got a very good export market especially in Middle East Countries. Considering the demand and fast development of industry, construction work in India and abroad, it can be predicted that certainly the demand for wire mesh is good and will boost up. Any new entrepreneurs can enter in to this field.
