<b>Cost of Project:</b>	1.00 Lakh

Aloe vera gel is one of the products prepared from aloe itself. Aloe vera gel has very good medicinal properties for external use for sun burning and pain killer. More recently, the use of aloe gel in radiation burns has been advocated for relief from pain and itching and to deep down keratosis and ulceration, this slowing any possible change towards malignancy. Aloe vera gel and aloe vera powder has tremendous demand in the herbal base products area. It has various medicinal values which makes very good commercial value. There are many herbal base companies trying to explore the market available on the base of aloe and try to best utilization of available aloe. Demand of aloe vera gel and powder is increasing by 10-15% per year. There is good export as well as indigenous demand.
