Aloe vera gel is one of the products prepared from aloe itself. Aloe vera gel has very good medicine for external use for sun burning and pain killer. It has various medicinal values, which makes very good commercial use. It is required proper plantation as demand increases day by day. Aloe vera is a perennial plant with multiple tuberous roots and many fibrous supporting roots penetrating into the soil. The plants do not have true stem but produce bloom stalks. The plants has strongly culticularized leaves, having spiny margin with thin walled tubular cells. Aloe vera gel & powder has tremendous demand in the herbal base products area. It has been found that demand of aloe vera gel & powder is increasing by 10% - 15% per year.
